CLERK AND TREASURER

JAMES E. ROACH

CLYDE A. CRAIG RESIGNS

On December 31, 1951, Mr. Clyde A. Craig, Sr. resigned from the Prudential Committee after thirty-one years of service to the North Easton Village District.

From 1913 to 1923 Mr. Craig served on the Prudential Committee during which time the Fire and Police Departments came under that board's jurisdiction.

In 1930 he was elected to the board of Water Commissioners and served on that board until its abolishment.

In 1949, when the Prudential Committee and Water Commissioners were consolidated, Mr. Craig was again elected to the Prudential Committee.

It became necessary, during August of 1951, for Mr. Craig, on advice of his physician, to take leave of his duties with the Prudential Committee for a badly needed rest.

The North Easton Village District suffered a great loss in Mr. Craig's resignation. His knowledge of the working of the various departments of the District has been a guiding hand to any who have had the privilege of serving with him.

A meeting of this committee should be called not later than September 20, 1951 by the Chairman of the Prudential Committee, the time and place to be determined by him at which meeting a Chairman should be elected by those present.

WARRANT

For North Easton Village District

SPECIAL MEETING

OCTOBER 1, 1951

The legal voters of the North Easton Village District are hereby notified that a special meeting of the said District will be held in Ames Memorial Hall on Monday, October 1st, 1951, at 8:00 o'clock P. M. to act upon the following articles:

Article 1. To see if the District will vote to raise and appropriate the sum of $6,000.00 to conduct a survey and drill test wells in an effort to secure an additional water supply.

Article 2. To act upon any other business that may legally come before the meeting.

Given under our hand this 22nd day of September, 1951.

JOHN W. MAHONEY, Chairman
WALFRID J. G. BROMAN
Prudential Committee

JAMES E. ROACH, District Clerk.

Pursuant to the vote passed under Article 1 of the Special District Meeting held on October 1, 1951, the vote being as follows:

VOTE

Voted "that the Moderator appoint a committee of seven voters to work in conjunction with the Prudential Committee for the purpose of obtaining additional water supply and to report to any special meeting but in no event not later than the next annual meeting as to said additional water supply and to report as to any matter that said committee feels should be called to the attention of the voters as to the needs of the Water Department and to raise and appropriate the sum of $6,000 for cost of same."

I have appointed the following to this committee:

Leo A. McEvoy, Lincoln Street	North Easton
Robert Milligan, Columbus Avenue	North Easton
Gustaf G. Rydholm, Holmes Street	North Easton
Clement J. Coughlin, Sheridan Street	North Easton
James H. Healey, Seaver Street	North Easton
Richard Maliff, Lincoln Street	North Easton
John S. Ames, Jr., Elm Street	North Easton

A copy of this letter is being sent to the Chairman of the Prudential Committee, Mr. John Mahoney and to each member of the committee herein named.

I appoint James H. Healey as Chairman of this committee.

JAMES E. ROACH, District Clerk.

NEW WATER SUPPLY

At a special District Meeting Monday, September 10, 1951, the moderator, Mr. Joseph W. Linehan, was authorized by vote of the District to appoint a committee of five to work in conjunction with the Prudential Committee, to look into the possibility of finding a supplementary water supply and to report back to any special meeting, or not later than the next regular meeting, with their findings and with any other recommendations regarding the water department that they felt should be brought to the attention of the voters.

Mr. Linehan, the moderator, appointed to that committee

Mr. James H. Healey
Mr. Gustav Rydholm
Mr. Robert Milligan
Mr. Clement Coughlin
Mr. Leo McAvoy

A meeting was called soon after and Mr. James Healey was elected chairman.

It was voted that the services of Whitman & Howard engineering firm of Boston be obtained. After a complete study of the town the engineers advised that an attempt be made to find water in that section of Easton Center water district, known as Haskells Sandpit. This was reported to the special meeting called October 1st, 1951.

The sum of $6,000.00 was raised and appropriated for cost of same and Mr. Linehan appointed a committee of seven, consisting of the same committee as before and in addition

Mr. John S. Ames, Jr.
Mr. Richard Maliff, Sr.

Wells were driven immediately and an ample supply of water was found to be available in the northeast section of the aforementioned Haskells Sandpit.

A sixteen day pumping test was completed. The water was tested by the Mass. Dept. of Health and found to be of good quality.
